Blessings of Litha

Savannah Skye (http://geocities.com/savvy1007)

This wheel keeps turning
Turning on and on
As each new Season dawns...

It keeps turning
As we pray for the coming of Litha
That's when we ask you...
Oh Litha carry us into
Sister Moon grace us into
Brother Sun face us towards
Mother Goddess place us
Place us in the blessings of Litha

The blessings of Litha that are
Malina's warm sun
Flora's sweet flowers
Psyche's beautiful butterflies
Gaia's lush green
Yemaya's liquid bliss
Iris' colorful rainbow

As we dance for the coming of Litha
That's when we ask you...
Oh Litha embrace us
Sister Moon grace us
Brother Sun face us
Mother Goddess place us
Place us in the blessings of Litha

The blessings of Litha that are
Malina's warm sun on our faces
Flora's sweet flowers under her graces
Psyche's beautiful butterflies dancing on the wind
Gaia's lush green that covers the earth from end to end
Yemaya 's liquid bliss that surrounds us with love
Iris' colorful rainbow that imbues us from above

As we sing for the coming of Litha
That's when we ask you...
Oh Litha carry us into
Mother Earth's sweet face look over us

Oshun's liquid grace bliss us
Gaia's beautiful hidden spaces protect us
Mother Goddess' wishes place us
Place us in these blessings of Litha

These blessings of Litha that are
Given to us with love
From our Mother Goddess above

Given to us while this wheel turns
Turns on and on
As each new Sabbat dawns
